None of my Flags or Notes are showing up on my Lenders Page in my Illiad Client

Symptom

- No flags or notes are showing up on my lender's page but they were showing up before.

Applies to

- Illiad All Versions

Resolution

Short introduction or instructions to follow these steps:

1. Bring up your ILLiad Client Lenders Page.
2. Right Click on the blank portion of the notes page and select the "Default View."
3. Now, this should have restored all your default settings and all notes and flags should be visible.
